

SCD Newsletter November 2011

We have put up a curtain in the boot room to alleviate some of the distractions created from dancers and parents entering and exiting the facility. Even though the curtain is up, we encourage all to remain quiet when in the boot room. Also, the curtain rod is not a permanent fixture so please refrain from pulling on the curtains. Follow our 3 P's - No Peeking, No Pulling, No Passing. ☺

We would also like to encourage dancers to be wearing proper shoes to class. The instructors now have costumes picked out for the classes and can determine what footwear is required. If you have not already bought and were waiting to hear from the instructors, please discuss with them during one of their scheduled breaks before or after your child's class.

As stated above, costumes are now being sized and ordered. If a costume cost is over and above the \$60 amount, we will send you an email asking for approval of the overage. Please make sure you respond to these ASAP so our instructors can proceed as needed.

We need more dancers for the mini production. Miss. Kirsti was thinking of doing a "Shrek" theme. It will be a variety number where dancers dance and act. It is great for dancers of all ages, abilities and disciplines. SIGN your dancers up on the sheet at the Arts Center for the fun opportunity by November 15! Cost is \$40 per dancer plus costume costs and festival fees. If you have any questions, please ask Miss. Kirsti.

Please send dancers in with a water bottle to class. We are having to throw out a lot of cups and water due to dancers taking a cup each time they need a drink.

We greatly appreciate dancers arriving on time for their classes however, please try to refrain from sending dancers too early to class, especially if it is the first class of the evening. With the cold weather settling in, we would hate for our dancers to be waiting in the cold for too long.

Team wear sales are this week. Be sure to get in to get your stuff ordered. Late orders will not be accepted.

We are in need of some metal garbage cans for one of our dances. Please let us know if you have any at home that you would like to donate to SCD. ☺

Have you checked out our new website? www.sundredance.com is a great place to stay in touch! Please feel free to leave us feedback about the website to help us improve it.

Have a great long weekend and remember to remember all who have fought for us so we can live the way we do today!
